Official Rules

Each contestant must be given a copy of the rules and must complete the entry form. The rules contain information about the contest, judging and awards.

Section I - General Rules

1. The Optimist International Essay Contest is divided into two levels of competition: Club and District.
2. Contestants must enter through a local Optimist Club or an at-large contest if a local Club is not available. An At-Large student may not have competed in an Optimist International or District contest in the same year.
3. Contestants must compose an original essay with limited guidance from others. Webster's Dictionary defines an essay as an analytic or interpretive literary composition. Works of fiction or poetry will not be accepted.
4. All District-level contests must have a minimum of 3 contestants participating.
5. Optimist International will have the right to edit, publish or otherwise duplicate any essay entered into the contest without payment to the author.

Section II - Qualifications for Contestants

1. The contest is open to contestants under the age of 19 as of October 1st of the current Optimist International contest year (October 1 – September 30) **and who have not yet completed secondary school or its equivalent, including CEGEP students in Québec, Canada.** There is no minimum age. Students must enter in the District in which they reside. U.S. students attending school on a military installation outside the United States are eligible to enter in their last home of record. Students residing in non-Districted areas where there are no Optimist Clubs are not eligible for competition.
2. Contestants are eligible for only one Club's essay contest during any given year. (October 1st - September 30th).
3. No individual having previously won a District Essay scholarship will be eligible to compete at any level of the competition again.

4. All contestants at each level of the contest must provide age and identification from their birth certificate or passport before participating. A copy of the document is only needed for District winners.

Section III - Contest Rules

1. Participants must write on the official contest topic.
2. Each entry must begin with a title page containing: topic, number of words, writer's name, address, phone number, name of school and date of birth.
3. At the top of page 1 should be the official topic and the number of words (penalty of 2 points for lack of topic and 5 points for failure to identify the total number of words correctly).
4. Essays must be type-written and double-spaced. (Deduction of 5 points)
5. Essays must contain at least 700 words but no more than 800 words. Every word of the essay is counted. This does not include the title, bibliography or footnotes. Words are to be counted manually.
6. Each page of the essay must be numbered starting with page 1, not the title page. The numbers must be centered at the bottom of each page.

2. In an effort to conceal the identity of each contestant, each entry will be assigned a number by the Essay Contest Chair.
