Re: Tech/Cathedral/Apollo/North/South "Crush" Girls Tennis

I am writing about Crush High School/Jr. High Tennis. We have "new players to tennis" joining us every year. There are no cuts in tennis. Everyone gets to play the matches. We plan to start practice outside at Tech High School on Monday, August 15<sup>th</sup> at 8:30-11:30. A weekly schedule will be available after the first practice. All player's grades (7-12) will be on one of the two teams, varsity, or JV. Once the season starts, we will decide if we need one or two practice groups/times during the first two weeks of the season. All players should be done practicing by 1:00 if we do separate into two groups.

The schedule is complete([centrallakesconference.org](http://centrallakesconference.org)). Our Tennis parent meeting will take place the first week of the season. Also, information about the fall all sports meeting should be coming out shortly.

The 2022 season should be an exciting one as we continue to work together to make one program, St. Cloud Tennis! Crush Tennis (48 players), in its first season last fall, tied for the conference title. All Jr. High players must sign-up through the Tech/Cathedral/Apollo activities office. If you have any questions regarding summer hitting or the upcoming season, please feel free to contact me (320-420-2545). I am looking forward to an exciting season!
